

DANCE DIAGRAM

1. THE RIOT

Fr...fr...fr... Frustration.
Frustration.
Frustration.

I have life. Ordinary wife.
I have car. A favorite bar.
I have job. A moderate wage.
I get the pains. That come with age.

I am so ordinary.

I have child. She goes wild.
I have home. A mortgage of my own.
I have hobby.
But it's nothing very special.
I do the garden. I watch girls.

I am so ordinary.

I have life. I have cage.
I'm going bald. I want to kill
the world. I've done nothing.
I've achieved nothing. I work for a firm.
But I want to burn it down, down.

I am so ordinary.
I am so ordinary.

I was born. One day I die.
There was something in between.
I, I don't know what or why.
I am a man. I want to break a rule.
I am a no, no, no, no, no, no, nobody.
Everybody's fool.

I am so ordinary.

Frustration.
Frustration.
Frustration.
Frustration.

I am so ordinary of endless art.
Love stories. I'm beginning to not
care a damn. I wish I could reach
right out for the un-touchable.
Film starring Bruce Lee, John Wayne,
Elvis Presley. Experiment with cocaine,
LSD and set a bad example.
Live a little, run a little, be a tiger. 2.
Meet Bo Derek and make her Tarzan.
Reach, reach out of

Live, live, live.
Die, die, die.
I, I, I, I wanna die.

Frustration, oh.
Frustration.
Frustration.
Frustration.

I wanna die.
I wanna die, die, die.
Die, die, die, d... d... die, die, die.

Frustration

I want to die.
